

Homework for Year 11

The students started this coursework in June 2007 and this unit will be needed to be entered for December 2007. The deadline will be November dates to be advised.

Week 1	Complete their Make Space Newsletter
	Complete their Make Space Questionnaire
	[They have been working on the above since June and should have completed it by now].
Week 2	Continue to collect primary and secondary resources for their chosen activity.
Week 3	Test their questionnaire and display the information visually. One or more of their findings can be used in their newsletter.
Week 4	Hand draw their table design for Database task
Week 5	Continue to work on any outstanding coursework
Week 6 and 7	Hand draw design for their Information Point

Please note all of this information is available on the Edexcel website:

Dida.edexcel.org.uk/home/
