Outstanding Schools conversion to Academies

Following the change of government in May 2010, schools or colleges that have been graded as Outstanding can convert to an Academy.

On the 8th June 2010 the Governing Body at Debden Park High School passed a resolution in agreement that Debden Park High School should convert to an Academy at the earliest opportunity.

As part of this process all stakeholders are encouraged to share their views regarding the conversion to an Academy and the impact this might have.

If you would like to read any additional information on the process and rationale of conversion please follow the link below:
